Dear PAHC patients and families,

It is with mixed emotions that I reach out to let you know that I will be retiring on December 31, 2026, after 28 years with Pediatric Associates of Hampden County.

This was not an easy decision for me as I truly love my work. Helping you stay healthy as you grew, and for parents, being there to advise you and your children, has been so rewarding. I learned something every single day. Thank you from the bottom of my heart for your trust in me.

I am confident that the excellent physicians and nurse practitioners at PAHC (listed on our website [www.pahcpediatrics.com](http://www.pahcpediatrics.com)) will provide compassionate, high quality care for you going forward.

As of December 31, 2026, I will no longer be able to serve as your child's physician. However, I will remain always grateful for being able to contribute in some small way to your lives.

All the best wishes for continued health and success,

Elinor D. Kelliher MD FAAP
